Donor Family Story

This an inspiring story about a recent donor Jack “Hydroplane’ Deloplaine. He was a star running back who earned a Super Bowl ring with the Pittsburgh Steelers and was even more well-known for his humanity, kindness, and generosity. To read the whole story click [here](#).

Because of You

- **Donors in 2022 – 3072**
- **Corneal Transplants – 2700**
- **Research/Education/Training Tissues – 372**

Donate Life Month

For National Donate Life Month (NDLM) 2023, Donate Life America was inspired by the natural world of a pond coming to life in the spring. Frogs (and toads!) are a sign of healing and renewal, and water lilies represent hope. The lily pads we see on the surface of a pond are part of a much larger plant rooted below the water. The water lily plant reminds us of the support and collaboration needed for hope to bloom.

Make a Splash for Donate Life Month!

Donate Life NC Gospel Fest 2022

Thank you for helping us to make our **2nd Annual Gospel Fest** a great success! We appreciate all who tuned in and hope you enjoyed the information, inspiration and celebration as we came together to raise awareness of organ, eye and tissue donation. Thank you to our wonderful supporters for helping us raise \$687 toward our fundraising goal of \$1,000.

Eye Donation Month: Pause for the Gift of Sight and Flag Raising

To help us spread awareness about the importance of eye donation and honor our donors, we have created custom MIS outdoor and garden flags for our partners to display. Fly your flags during Eye Donation Month in November.

In addition to Eye Donation Month, our partners can fly their flag each time someone becomes a donor at their hospital honor their life-changing gift of sight.
