Miracles In Sight welcomes our 2022-23 Corneal Fellows

We look forward to working with the next generation of ophthalmic surgeons to continue our tradition of innovation and collaboration in eye banking and transplantation

From left to right: Dr. Alexander Snyder from Indiana, Dr. Andrew Bowman from Texas, and Dr. Kevin Jackson from Alabama with Tracy Thorne, Business Development Liaison at Miracles In Sight

Miracles In Sight participates in the 2022 Transplant Games in San Diego, California

The Transplant Games help to increase awareness of the life-restoring importance of eye, organ, and tissue donation through the lives of the athlete-recipients and the lasting legacy of their donors. Our own Professional Development Specialists, Abbi Mason, was in attendance. [Learn how you can make a difference by visiting our website.](#)
