

Miracles In Sight

PARTNERING TO SERVE YOU

At Miracles In Sight, we are committed to providing exceptional service by partnering with surgeons, physicians and researchers to drive innovation and improve patient outcomes.

HIGH QUALITY, ON TIME

Thanks to efficient processes, fast delivery protocols and high-quality tissue, we meet your needs in a timely manner.

TRAINED EXPERTS

Our extensive training programs provide our staff with state-of-the-art expertise in performing slit lamp and specular microscopies, as well as advanced DSAEK and DMEK processing abilities.

We are a proud member of Outpatient Ophthalmic Surgery Society, American Society of Ophthalmic Administrators, and American Academy of Ophthalmic Executives. Plus, we offer cornea reimbursement guidance to our family of surgeons.

SUPERIOR SERVICE

Our customer service is second to none in the industry. We treat every person with respect, professionalism, and are available 24 hours a day, 7 days a week for your convenience.

CUSTOMIZED TO YOUR SPECIFICATIONS

Tissue preparation services for DMEK, DSAEK and ALK include post processing evaluation and endothelial cell density assessment.

- Various customization services for DMEK
- Careful and knowledgeable cornea evaluation
- Thorough donor eligibility screening
- Strict adherence to FDA and EBAA regulations and standards

INSPIRATION. COLLABORATION. INNOVATION.

At Miracles In Sight, we are here with a range of innovative services and products for your practice.
